Dear Resident

On 3rd May you have the opportunity to elect three new councillors for Weetwood. Only one of the current ward councillors is seeking re-election this year so this is your chance to bring in fresh new ideas and people by voting Conservative.

Your local Conservatives will fight to prevent inappropriate development in Weetwood Ward by ensuring the right number of houses are built at the right time in the right places. This would help retain our precious greenbelt and natural sites. We need more affordable housing in the ward and a much better housing mix.

We promise to work hard for you and to focus on the things that will make Leeds better. We will help to protect our most vulnerable residents by removing the charges for the Sheltered Warden Service and we will improve access to toilets for the disabled by investing £250,000 to convert inadequate existing facilities and to create new ones.

Vote Conservative on 3rd May.

Yours sincerely

Angelo Basu

David Jessop

Howard Kiernan

MORE NEW HOMES WHERE THEY ARE NEEDED AND WANTED

Leeds is an attractive city to live and work in and Weetwood is one of the best places in the city. We support the building of new homes to meet real need according to realistic plans for the growth of the city.

The Council currently has plans to build a gross figure of around 70,000 dwellings which is far too many and has resulted in developers being allowed to build on our precious green field

sites after a number of successful appeals against refusal of planning permission. The Conservatives' plans are in favour of a sensible number of houses when and where they are needed. The Conservatives would ensure that brownfield sites are the top priority for development in Weetwood where it is needed and desirable.

6 Good reasons to Vote Conservative...

1 WE'LL BOOST RECYCLING

We will expand the brown bin service to work all year. We will start kerbside recycling of glass and food waste.

2 WE'LL SCRAP THE DIY TAX

The Council's new charges for disposing of building waste have seen increases to fly-tipping around Weetwood. We'll scrap them.

3 WE'LL PROTECT THE VULNERABLE

We will reverse the cuts to schools' provisions for Special Education Needs and disabilities.

4 A CULTURAL LEGACY FOR LEEDS

We will use the power of local business to deliver an EXTRA £1m towards establishing a cultural legacy for all in Leeds.

5 WE'LL FIX OUR ROADS

We will invest an extra £1.5m to maintenance of our road network with proper, lasting repairs to potholes.

6 WE'LL MAKE OUR ROADS SAFER

We will take appropriate measures to make our roads safer for pedestrians, cyclists and motorists, particularly around schools.
